Fee Schedule:

Note: This schedule applies to single orders outlining the scope and application of fees associated therewith and is enforceable by law. The purpose; to dissuade public servants, and or public officials from attempting to exact performance from a man where no standing obligation exists; where if compelled to perform; such a man is due fare and just compensation.

Police traffic stops:

1) Each order uttered and consequently completed within but not exceeding five minutes will be billed the sum of three-hundred dollars (\$300.00)

2) Each order uttered and consequently completed having a duration greater than five-minutes but not exceeding one hour will be billed the sum of one-thousand dollars (\$1000.00)

Government Departments & Local Councils:

1) Any implied obligation cited under an act of Parliament, Departmental Policy, or Public Law is for the purposes of this schedule considered an Order. Each Order upon initiation will be billed the sum of three-hundred dollars; where the first and each subsequent hour or part thereof required to complete said order or orders will be billed the sum of one-thousand dollars (\$1000.00)

2) Where carrying out an order would place a burden to the extent it would cause harm, injury, or financial loss; advance payments necessary to make good the completion of said orders are required to be made available by the agency in question to cover the cost of commissioning trades and services, and the various costs of travel expenses, wear and tear on vehicles, materials, and other incidentals as outlined in a bill of particulars provided in concurrence with but in addition to the fees in part 1).

Private Persons:

All order are to be writing and subject to negotiation; where once terms are agreed to and signed a true bill will be issued upon the completion of said order or orders.
